information

keep church weird

Don't miss out on one of our most popular annual traditions. Sign up now for our annual Holden Village Youth Weekend; this year's theme is "keep church weird." Space is very limited and a \$100 deposit and completed registration form will reserve your spot! Please have your deposit in by January 29th.

We'll be leaving Friday night, and arriving back Monday night (you'll have to take the day off from school), for a fun-filled weekend. The cost covers round trip boat fare, lodgings, meals, and a t-shirt. Registration forms and sign-ups are available in the narthex at the bulletin board. As always scholarships are available. I hope to see you there!
