

K-4 K'Motion Kids Help Our Neighbors Service Project

Date: March 4

Join us for an afternoon of helping our Tent City 4 Neighbors. We have a great opportunity to spend some time together, while building "Personal Care Kits" for the Tent City 4 residents. We'll organize donations, set up an assembly line and work together to create personal welcome notes for each person living in Tent City. We'll put everything together and deliver it to the Tent City Donation Tent. We will then head back inside to get the Fellowship Hall ready to serve dinner.

Children and parents are needed to help set tables, serve dinner, pour drinks and help clean up. We plan on meeting at 3pm at church, spending ~ 1.5 hours on the kits and then setting up & serving dinner.

We will be purchasing dinner to serve however, it is critical that we have enough hands to help us assemble the kits, serve dinner and help clean up.

Time: 3:30-7pm

If you have questions or want to register for this event, please call the church office at 425/823-2727.
